The Trauma Informed Care Committee,  
a sub-committee of the Family and  
Children First Council of Trumbull County  
presents:

## 2023 Trumbull County Resiliency Summit

# Fostering Resiliency in a Post-Pandemic World

This event will feature keynote speaker Dr. Bobbi Beale, an expert in designing non-traditional therapy programs for youth populations with trauma histories. She will be focusing on how the pandemic has impacted the helping profession including trauma resources for professionals.

Participants in the day long professional development workshop will learn about current initiatives in Trumbull County to grow more resilient communities by gaining awareness of primary, secondary, and tertiary strategies to decrease trauma.
